Rhyming words, number practice, and interactive flashcard sessions for letters and numbers are also included. We end with theme-related songs, our poem of the month, and reciting the Pledge of Allegiance.

9:50-10:00 - Letters

Activities focused on this week's themes and letter are introduced, featuring letter tracing and writing exercises designed to strengthen both gross and fine motor skills.

Weather permitting, students enjoy outdoor playtime in the backyard, providing them with fresh air and physical activity.

Aligned with the day's theme/letter, this session includes engaging hands-on activities in science, engineering, art, and/or math, aimed at developing both gross and fine motor skills. Students may also participate in music and movement activities, which may include rhythm sticks, musical instruments, parachutes, and more, to foster rhythm and coordination.
